THE ANNUAL QUALITY ASSURANCE REPORT (AQAR)
FOR THE ACADEMIC YEAR 2015-16

EMAIL SUBMISSION
TO
NATIONAL ASSESMENT AND ACCREDIATATION COUNCIL (NAAC)
BENGALURU

ON
26 NOVEMBER 2016

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

Best Practice I

Cycle Bank for Girl Students

Goal:- To promote women education particularly in rural area.

Context:- Warana region where our institution is situated comprises of near about 70 villages and some hilly settlements. Majority of our students come from such places. Facility of S.T. bus is available but very often it does not suit to the college timings. Even students have to walk miles together to reach the nearby bus stand as there is no provision of state transport to the settlements where they live. Very often students have to travel by private transport which is more expensive and inconvenient particularly for the girl students. It has been noticed that because of the inconvenience of transportation facility, parents from rural area do not allow their daughters to have higher education.

Establishment of cycle bank scheme for the girl students is a novel concept to provide easy and almost cost free transportation facility to girl students and promote the noble cause of women education.

Practice:-

The scheme started in 2009-10 with 21 cycles donated by Alumni Association of the institution. At the beginning of every year applications are invited by the girl students living in the radius of 10 KM from our institution. The final selection of the beneficiaries of the scheme is done through personal interview. The beneficiaries have to pay Rs. 100/- as the maintenance charges and they are handed over the cycles for the academic year. The beneficiaries use these cycles for to and fro transportation to the institution and also for their personal use. They have to return the cycles back to the institution at the end of the academic year.

Success:-

The cycle bank scheme rests on the support of society. Every year there is addition to the number of cycles in the scheme and they are donated by the stake holders, industrial and educational institutes in Warana region, alumni and even faculty members. In the year 2015-16 there are 86 cycles in our cycle bank scheme and it is noteworthy to mention that Shivaji University has donated four cycles. The scheme has growing support from the society because it has shown positive results in the academic performance of the beneficiaries.

The beneficiaries of the scheme have shown good attendance in the college and it has reflected in to their good academic performance. Their parents have also given feedback about

the scheme. They are happy that their wards now travel independently and are saved from the hustle of public and private transport and can concentrate on their studies.

As cycling is one of the best exercises, the beneficiaries have developed physical fitness also.

Problems Encountered:-

The cycle bank scheme rests on the support of the society. We need more donations from the society to cater to the need of more girl students.

The maintenance of the cycles has become more and more costly. A good number of cycles in the scheme are now old and out worn and need be repaired thoroughly. The maintenance charges taken from the beneficiaries are not sufficient. Very often institution has to arrange for the additional maintenance expenses through students Aid Fund.

MALLAKHAMB: INDIGENOUS SPORT OF MAHARASHTRA

Goal- To promote Mallakhamb and train students to achieve excellence in it.

Context

Just like wrestling, Mallakhamb has the roots in the soil of Maharashtra. Initially it was played as complementary to wrestling. Now days it is being played as a sports type but still it is overshadowed by the other popular, even more costly sports like cricket, football, etc.

Mallakhamb is such a type of sport which enhances necessary skills like agility, mobility, concentration, endurance and willpower. It helps to develop physical and mental abilities of the players. So our institution is committed to do sustained efforts for last 30 years to promote Mallakhamb, provide Mallakhamb facilities and coaching of higher level so that students should achieve success in it.

Practice:

Our institution works right from the root level. The physical directors of our senior and junior wings are recognized Mallakhamb coach, referee and winners of “All India Mallakhamb Competition”, color award and sportsman award. They, along with their team visit the primary and secondary schools in warana region, give information about Mallakhamb, explain the importance and give presentations of Mallakhamb. Even coaching camps are organized in these schools. Students become aware of this type of sports in the early age and develop interest. When they get admitted in the institution, they avail the excellent facilities provided by the institution and expertise of the directors of physical education in the college. Coaching camps are organized and eminent experts in the field are invited to provide training to the students.

Students get opportunities to present their Mallakhamb skills at zonal, interzonal and national level. Such players are provided with free hostel accommodation in the hostels and concession in the college fees. All players are given proper kit.

Success:

Our institution has achieved stupendous success in the form of having hold in the prestigious R. P. Powar Mallakhamb trophy of Shivaji University for last 30 years in row. Every year our students are a part of Shivaji University Mallakhamb team which is winner of All Indian Inter University Mallakhamb Trophy for last 30 years in row. Every year our

Mallakhamb players are honored with color awards, sportsman awards and National level sports scholarships.

As due to Mallakhamb there is enhancement in physical and mental abilities. Our players have succeeded in competitive examinations also, by scoring almost 100% marks in “Physical”. Many of our players are placed in police services. Four players are placed as DYSP, more than 25 are PSI and many more are working as police. Training of Mallakhamb has proved beneficial for the career of students.

Problems:

Still there is no grandeur to Mallakhamb and attitude of society and parents towards this play is quite hostile. Particularly girls are not allowed to play Mallakhamb. Our institution has to convince the parents personally to allow their wards to play Mallakhamb.

Facility of Mallakhamb (Pole) is not easily available everywhere. So, the players have limitation on practice. It is necessary to increase number of Mallakhamb in the institution and advanced foam mats are necessary to prevent injuries.
