Knowledge Domain

General Physics
Solid state Physics
Energy Studies
Renewable and Non- Renewable energy
Electronics, Microprocessors.
E-content development

Expertise

**Green Audits and Management
plan of educational Institutes.**

Research Domain

M.Phil completed(Nano-Physics) on topic
"Synthesis and Characterization of the CdS
thin films"
M.Ed. (Educational Technology)topic of thesis
is " Preparation of graphic Based Software to
teach Definition of FORCE to VIIIth Slandered
Students"
Ph.D. (Going on) to Madurai Kamraj
University, Madurai (Tamilnadu)

Publications

03 Books (Green Audit Reports of Educational
Institutes)
17 International
28 National

Research Paper Presented

15 International
35 National

Research Participation

11 International Conferences
42 National / state/ regional conferences

Experience

Teaching Research

23 Years (UG)
08 Years

Training Completed

Orientation Course (one Month)
FDP (Two Week)-04

Designation		FDP (One Week)-14 Workshop-12 Hands on -02
Assistant Professor in Physics		
SKILLS	Resource Person	Workshops on syllabus, AAA Research aptitude Smart College Green Audit Experimental Physics
Leadership Communication ICT Proficiency Public speaking	Social Services	Blood Donation Camps Tree Plantation Drives Village and river Cleanliness Drives Social Awareness Rally, Counseling.
