

## **Yashwantrao Chavan Warana Mahavidyalaya, Warananagar**

### **Internal Quality Assurance Cell**

#### **FACILITIES AVAILABLE FOR SAFETY AND SECURITY OF WOMEN ON THE CAMPUS:**

- a. **Safety and security:** 24/7 security is provided on the campus, including at the girls' hostel, where two female rectors and a dedicated security guard are stationed in shifts. Pedestrian pathways for boys and girls are segregated for added safety. The campus is under CCTV surveillance, enhancing security measures. To address concerns effectively, complaint boxes and contact information for the Nirbhaya Police squad are prominently displayed. Additionally, active 'Prevention of Sexual Harassment at Workplace' and 'Anti-Ragging Cell' initiatives are in operation to ensure a safe environment for all.
- b. **Counseling:** Counseling sessions are scheduled by the Principal in conjunction with the counseling committee at the outset of each academic term. Faculty members are tasked with disseminating information to all students pertaining to a range of topics including available empowerment schemes, women's rights, dress code regulations, identity card protocols, and codes of conduct. The committee actively organizes diverse gender awareness initiatives periodically throughout the academic calendar to promote inclusivity and understanding within the student body.
- c. **Common Rooms:** The college has designated three common rooms specifically for female students, along with one common room designated for female staff members. Additionally, there is a separate reading room allocated for female students within the library facilities.
- d. **Other facilities:** The college offers a range of amenities and programs aimed at ensuring the safety, well-being, and empowerment of its students, particularly focusing on female students. These include access to RO drinking water, equipped first aid facilities, and strategically placed fire extinguishers for emergency situations. Additionally, the institution fosters a supportive environment for female students by providing amenities such as separate vehicle parking in proximity to the girl's hostel, facilitating ease of access and security.

Moreover, the college actively promotes physical and mental health through sports facilities. It also prioritizes women's empowerment through dedicated programs aimed at enhancing their skills, confidence, and leadership abilities. Notably, self-defense training programs are conducted regularly to equip female students with essential skills for personal safety and empowerment.

Through these initiatives, the college demonstrates its commitment to creating a safe, inclusive, and supportive environment conducive to the holistic development of all its students, with a particular focus on the well-being and empowerment of its female student body.
