

Mechanism of the Grievance Redressal Cell

2017-18 to 2021-22

The Grievance Redressal Cell was formed with the goal of resolving student grievances. Students may submit their grievances in writing to the Principal. The cell will meet as needed and take appropriate measures/solutions to the grievances addressed to it. All students in our college have access to the Grievance Redressal Cell to voice their concerns about academic matters, financial matters, health services, the library, and other central services. Students' complaints dropped in the 'Suggestion Box' and oral complaints are both addressed. An effective complaint management mechanism improves stakeholder relationships and satisfaction. This cell's nature is highly confidential.

Our college has a three-tier system in place to resolve student grievances both on and off campus.

- Class Level- In the weekly Mentoring system the class teachers deal with the personal problems of our students.
- Department Level: The Department Heads and senior teachers solve the students' problems.
- College Level- The Grievance Redressal Cell, which reports to the principal, resolves our students' problems.

Policies

- The vision and mission of the institution is inextricably linked to strong principles and ethics.
- The management and the college guarantee a strong redressal mechanism for student grievances. As mandated by the government, a three-tier grievance mechanism is in place to resolve any academic or administrative complaints.
- The college's code of conduct applies to all students.
- Our institution has a zero tolerance policy for any form of ragging or sexual harassment.
- Our institution strictly adheres to all norms against sexual harassment, ragging, and other offences as issued from time to time by the state and federal governments.
- Abuse on social networking sites will be severely punished.
- Any offence discovered through CCTV surveillance is punishable.
- Any student found in an incriminating situation, both on and off campus, will be reprimanded and counselled.

- Students who violate the code of conduct will be given a fair hearing at the Departmental level
- The institution does not tolerate ragging or sexual harassment.

Objectives

- To develop a responsive and accountable attitude among all the stakeholders in order to maintain a harmonious educational atmosphere in the institute.
- To uphold the dignity of the College by ensuring strife free atmosphere in the College through promoting cordial relationships with stakeholders.
- To encourage the stakeholders to express their grievances/problems freely and frankly, without any fear of being victimized. Different methods for registering of Grievances

Constitution of Grievance Redressal Cell

This Cell is functional with the principal as the head and three faculty members as coordinators. It addresses the sensitive areas that need patient listening, understanding, care, and of course redressal in the form of needy action. The pulse of all stakeholders is accessed through open, uninhibited written suggestions.

It is functioning according to the following UGC norms.

1. All complaints are first addressed by Grievance Committee whose composition is as follows:
 - a. The principal of the college- Chairperson
 - b. Two senior faculty members nominated by the Principal of the College.
2. There is no tenure of the members.
3. The quorum for the meeting shall be two.
4. The committee shall send the report and recommendations to the Vice-Chancellor of the affiliating University within a period of 15 days of receipt of the complaint.

The Grievance Redressal Cell Activities

- A suggestion box has been placed in each Department. The institution tries to take corrective measures according to the suggestions shared in the box.
